

REFLECTION

Why we asked you to write your timeline?

- To look back and review our life
- To realize that life is passing, and we're left with very little time which is to be spent wisely
- To evaluate the factors that shaped our personality.

Timeline: Outcomes

- Feeling of thankfulness
- Positivity
- Realization of blessings

Reflection

Reflection is not

- ≠ Worrying ---اف میرے خدا، اس کا کیا ہوگا---
- ≠ Wanting ---کاش مجھے یہ مل جائے---
- ≠ Doubting---یہ تو میں کر ہی نہیں سکتا---
- ≠ Negating---یہ حقیقت نہیں ہے، ایسا تو نہیں ہے---
- ≠ Complaining---یہ میرے ساتھ ہی کیوں ہوتا ہے---

Reflection

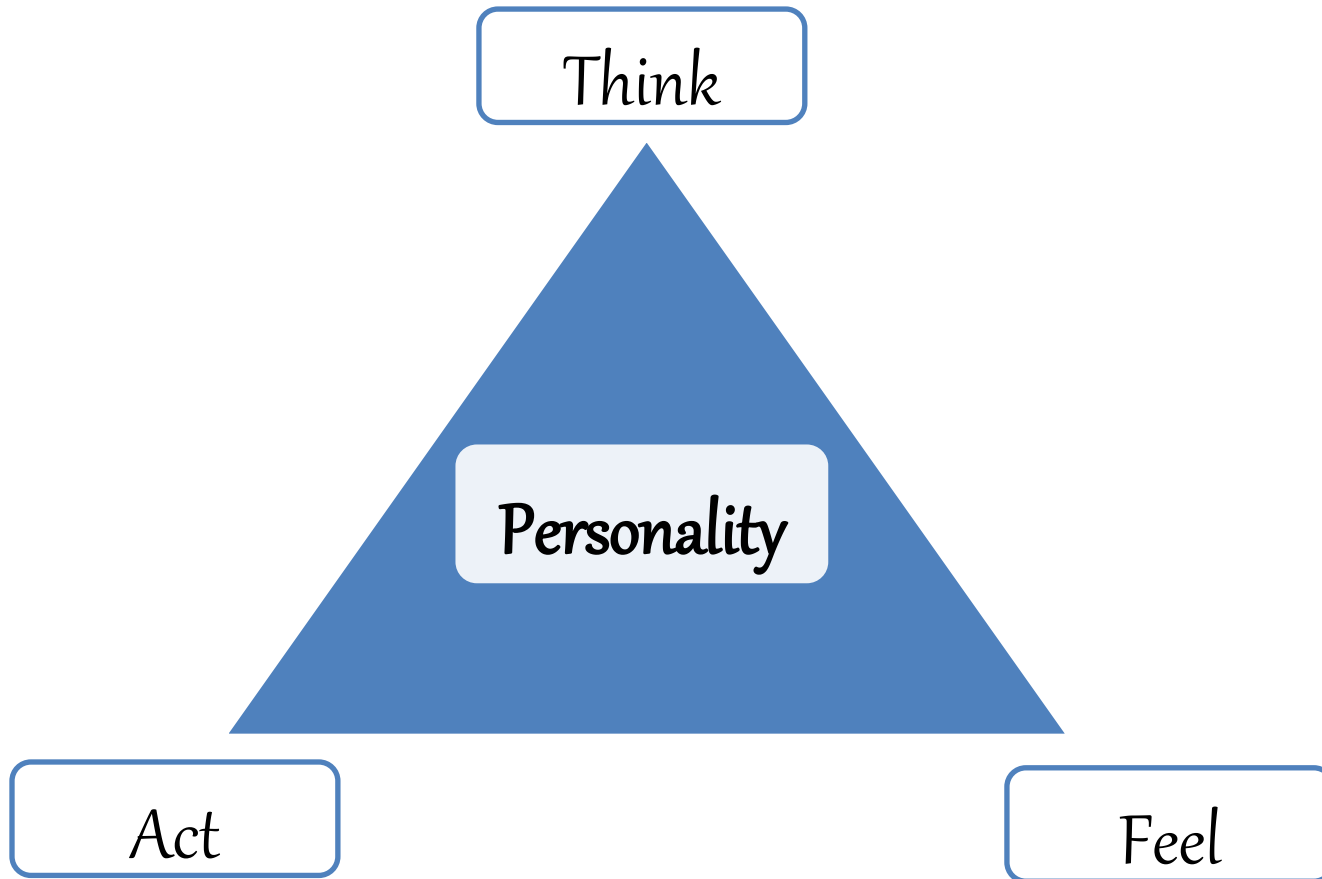

- Reflection is: A specialized process of thinking intended to improve understanding and actions.
- It is learning from one's own experiences
- Purpose of reflection: To allow the possibility of learning through experience, whether that is the experience of a meeting, a project, a disaster, a success, a relationship, or any other internal or external event, before, during or after it has occurred.

Reflection is:

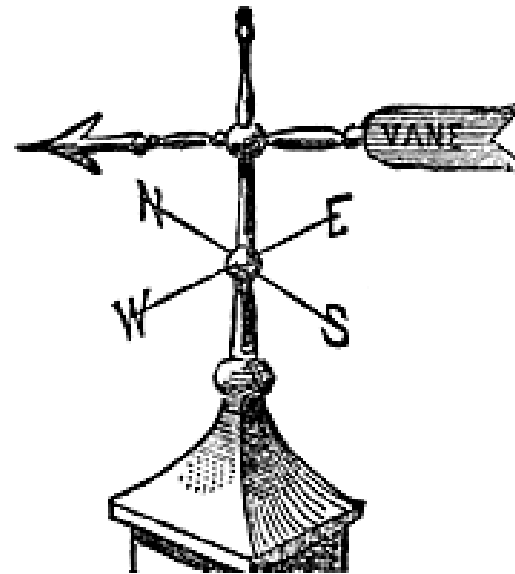

- **Self awareness:** Thinking of yourself, your experiences and your view of the world
- **Self improvement:** Learning from experiences and wanting to improve your life
- **Self control:** Putting you in control of making changes and behaving in a different way.

It help us to indulge ourselves on the path of self purification.

Reflection help us review our
habitual thinking pattern

Are you a clock or a weather vane?

Faulty ways of thinking

1. **Filtering:** ignoring the positive aspects in any situation and focusing on the negative ones
2. **Overgeneralizing:** assuming that what defeated you once will defeat you again and again in the future
3. **Catastrophizing:** being inclined to expect the worst

Reflective writing

- **Description:** What is the concept, idea or theory you are reflecting on?
- **Analysis:**
Are there aspects you found particularly interesting or challenging? Does it tie in with anything you have learned in the past? Has it changed the way you think, or affirmed something you already knew?
- **Action/ outcome:**
What else might you need to find out? Do you have any questions? How might you incorporate or apply these ideas in the future?
